Keynote Speaker - Jeff Keaton *RENEWANATION Founder & Chairman*

Jeff Keaton was born in 1967 into a large ministry family. Over the last 19 years, after graduating from college, Jeff has invested his life in pastoring churches in Hollywood, Florida and Roanoke, Virginia.

During his time at Parkway House of Prayer in Roanoke, Virginia, God gave Jeff the opportunity to start a Christian school, Parkway Christian Academy, as well as plant several new churches. The school has grown to be one of the largest Christian schools in the Roanoke area.

In 2007, God spoke the vision of RENEWANATION into Jeff's heart and mind. He believes he will spend the rest of his life building this ministry so that someday every child will have the opportunity to receive a Christian worldview education.

He is most passionate about leading men and women to Jesus, seeing believers sell out 100% to Christ and giving children a thoroughly Christian worldview.

Jeff and his wife Michele will celebrate their 25th anniversary in 2012. Their oldest daughter, Julianna, is a freshmen in college, preparing to be a missionary. Their youngest daughter, Heidi, is in the 10th grade at Parkway Christian Academy in Roanoke, VA.
